

# Summer Reading Program 2025

Summer Reading Programs were originally designed by public libraries to help elementary-aged children avoid summer reading loss by encouraging them to read. Our Summer Reading Programs have grown to include programs and prizes for all ages - elementary, tweens and teens! In our economically-challenged area, the public library has become more important than ever. We touch the lives of many and strive to do even more.

Sponsorships from the community make everything we do in the Summer Reading Program possible. We would love to include your business in our efforts to make this summer's program the best ever! You can contribute by providing monetary donations, purchasing items from our Amazon Wish List, or donating items to include in our grand prize packages.

Thank you in advance for helping make our Summer Reading Program a success!

The San Augustine Friends of the Library is a 501-C3 non-profit organization. Your donation is tax-deductible and we can send you a letter for your records. Checks can be made out to the "San Augustine (SA) Friends of the Library". Donations can also be made by scanning the QRcode.
