

UNEARTH A STORY™

Summer Reading Program 2026

Summer Reading Programs were originally created by public libraries to help elementary-aged children avoid summer reading loss by encouraging them to read. Over time, our program has grown into a vibrant, community-wide initiative that now includes activities, events, and prizes for readers of all ages—elementary students, tweens, and teens.

In our economically challenged area, the public library has become more important than ever. We serve as a safe, welcoming space where families can learn, explore, and connect. Each summer, we touch the lives of hundreds of local children and teens, and we are committed to expanding our impact even further.

Your support makes this possible. We would be honored to include your business as a sponsor for this year's Summer Reading Program. Your contribution directly supports literacy, learning, and joy for young people in our community.

You can support the program in several ways:

- Providing a monetary donation
- Purchasing items from our Amazon Wish List
- Donating items to be included in our grand prize packages

Every contribution—large or small—helps us create meaningful experiences for local families and encourages children to develop a lifelong love of reading.

Thank you in advance for considering this opportunity to invest in our community.

We appreciate your partnership and look forward to making this summer's program our best yet.

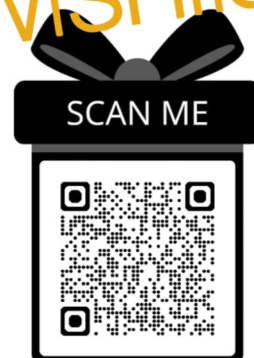

San Augustine Friends of Library Inc

Scan and Pay

The San Augustine Friends of the Library is a 501-C3 non-profit organization.

Your donation is tax-deductible. Checks can be made out to the "San Augustine (SA) Friends of the Library". Donations can also be made by scanning the QRcode.
